

## **Regional Affiliate Certificate Group Commitment Statement to SFI Chain of Custody Standards\***

Adopted: 14 March, 2022

The Regional Affiliate Certificate Group (RACG) is a program developed and offered by participating regional affiliates. This means that RACG has intimate knowledge of the print industry, what printers face each day, and what printers need to make their life easier.

RACG is committed to the principles promoted by the Sustainable Forestry Initiative (SFI) standards of advancing sustainability through forest-focused collaboration. We are committed to implement and maintain the SFI 2022 Chain of Custody requirements. This commitment also includes providing group members and employees with training and education regarding the practice of sustainable forestry.

Additionally, we have a robust system in place to ensure we are following all social laws, such as those covering civil rights, equal employment opportunities, anti-discrimination and anti-harassment measures, workers' compensation, Indigenous Peoples' rights, workers' and communities' right to know, prevailing wages, workers' right to organize and occupational health and safety.

We undergo intense third party audits each year to verify our conformance with these standard requirements.
